DATA REQUEST SET G P I - S C E - 2 0 2 5 W M P - 0 1

To: GPI
Prepared by: Napa Tayavibul
Job Title: Senior Advisor
Received Date: 4/26/2024

Response Date: 5/1/2024

Question 02:

Please provide any SCE slides, meeting materials, and meeting minutes generated for and/or presented at the Joint IOU meeting held in 2023 to “discuss each utility’s respective fuels management programs and began initial collaboration on a possible scoping study on best practices and efficacy of fuels management [2].”

Response to Question 02:

Please an email below used by SCE in preparing for a 2023 joint IOU discussion on debris management practices. SCE has redacted employees names, names of specific national forests, and the names of external entities as the email describes potential removal options that are still under discussion and development.
