

Southern California Edison
R.18-10-007 – SB 901

DATA REQUEST SET E P U C - S C E - 0 0 1

To: EPUC
Prepared by: Ryan Stevenson
Job Title: Senior Advisor
Received Date: 2/20/2019

Response Date: 2/25/2019

Question 1-13: Please provide a comprehensive description of the guidelines used to separate, for ratemaking purposes, assets and expenses between those subject to FERC jurisdiction and those subject to CPUC jurisdiction.

Response to Question 1-13:

SCE objects to the question as irrelevant, overbroad, and unduly burdensome. The guidelines used to separate, for ratemaking purposes, assets and expenses between those subject to FERC jurisdiction and those subject to CPUC jurisdiction are not within the scope of this proceeding. This proceeding relates to the approval of SCE's 2019 Wildfire Mitigation Plan, and the programs and activities stated therein.
