**July 26, 2017**

Scheduled Time: 2:00 PM – 4:00 PM

**AGENDA ITEMS:**

- 2017 Resource Adequacy Capacity RFO: Request Approval to Launch

**ATTENDEES:**

**Energy Division:** Amanda Singh, Eric Dupre, Simone Brant, Michele Kito, Jaime Gannon

**ORA:** Michael Yeo, Patrick Cunningham, Yuliya Shmidt

**TURN:** Kevin Woodruff

**IE:** Alan Taylor

**SCE:** David Balandran, Janos Kakuk, Ryan Belgram, Matt Lloyd, Jason Edwards, Mark Irwin, Tristan Reyes Close, Gus Flores, Magesh Srinivasan, Philippe Gerretsen

**ACTION ITEMS:**

1. How is SCE accounting for LCR BTM resources? The resources are not in SCE's supply stack, and they are not included in the CAISO's LCR study.
2. Within 30 days, SCE will bring its probabilistic model to the PRG. This will likely happen at SCE's next in-person PRG meeting on August 23 in San Francisco.
