

**DECLARATION OF PHILIP HERRINGTON REGARDING THE CONFIDENTIALITY OF CERTAIN DATA**

I, Philip Herrington, declare and state:

I am the senior vice president of Transmission and Distribution at Southern California Edison Company (SCE). I am responsible for the group within SCE that constructs, operates, and maintains SCE's transmission and distribution facilities.

I am making this declaration in accordance with D.16-08-024, which governs the submission of confidential documents to the California Public Utilities Commission (Commission).

I have personal knowledge of the facts and representations herein and, if called upon to testify, could and would do so, except for those facts expressly stated to be based upon information and belief, and as to those matters, I believe them to be true.

Listed below are the data for which SCE is seeking confidential protection and the basis for SCE's confidentiality request.

Location of Confidential Data	Pages	Description of Information that is Confidential	Basis for SCE's Confidentiality Claim
Attachments to Data Request set OSA-SCE-001 Question 5.	All distribution HFRA circuit maps and transmission HFRA line maps.	Circuit and line maps that contain critical infrastructure information that relates to the production, generation, transportation, transmission, or distribution of energy. If made public, this information may be used maliciously to interrupt essential load such as Federal, State, and Local facility locations as well as back-up sources of feed for these facilities and may be useful to a person in planning an attack on critical infrastructure.	On December 4, 2015, the President of the United States signed the Fixing America's Surface Transportation Act into law, which added section 215A to the Federal Power Act. Section 215A provides that critical energy infrastructure information "shall not be made available by any Federal, State, political subdivision or tribal authority pursuant to any Federal, State, political subdivision or tribal law requiring public disclosure of information or records."

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on March 5, 2019 at Pomona, California.

/x/ Philip Herrington

SCE Senior Vice President of Transmission and Distribution
