AGENDA

1. DWR-Sempra 2010 Fuel Supply Plan Recommendation
2. Update to SCE's Procurement Plan Limits Methodology
3. Updated Sales Forecast
4. Annual 2010 CRR Auction

PARTICIPANTS:

Energy Division: Junaid Rahman, Richard Myers, Kevin Dudney, Donald Brooks

DRA: Frank Ghazzagh

TURN: Kevin Woodruff (Woodruff Expert Services)

CERS: Jim Spence, Fred Mobasher (Electric Power Group)

ACTION ITEMS:

1. SCE will provide an updated public presentation package for Agenda Item No. 2 that replaces the original presentation package that was inappropriately identified as containing confidential information. The updated presentation also contains some format changes to Page No. 9.
2. SCE will provide an updated confidential presentation package for Agenda Item No. 4; the update incorporates changes to Page No. 10.
3. Fred Mobasher asked how SCE will incorporate the multi-year forward capacity showing requirement specified in ALJ Wetzell's Resource Adequacy Proposed Decision (R.05-12-013) in SCE's planned Advice Letter update on its LTPP procurement limits if the PD is adopted. SCE concurred that its proposed Advice Letter update may require further modifications if the Resource Adequacy PD is adopted as currently drafted, and will delay the submittal of its Advice Letter until further notice.
