Table 3-2 on pages 30-31 of SCE’s WMP shows a difference of \$379,259 for planned versus actual expenditures in 2020. Please provide all reasons for the lower actual spend than planned.

Response to Question 007:

SCE objects to this question as costs and cost recovery are outside the scope of the Wildfire Mitigation Plans pursuant to California Public Utilities Code Section 8386.4.(b)(1).

Notwithstanding this objection, SCE provides comments in the attached Excel file for System Hardening 2020 reconciliation of all sub-activities.
