Question 06:

Footnote 190 of p. 375 of SCE's 2023 WMP states "In 2022, on behalf of the Governor's Office, Filsinger Energy Partners (FEP) was brought in to provide oversight and potential enhancement opportunities for SCE's wildfire mitigation strategies."

- a) Is Filsinger Energy Partners still engaged with SCE to provide oversight and improvements to wildfire mitigation strategies?
- b) If the answer to part (a) is no, when did Filsinger Energy Partners conclude its engagement with SCE?
- c) Please provide any documents produced as a result of the abovementioned engagement, including reports, recommendations, etc.
- d) Please detail the abovementioned "potential enhancement opportunities."

Response to Question 06:

- a) No, the Filsinger Energy Partners (FEP) engagement with SCE ended.
- b) The FEP engagement with SCE ended February 1, 2023.
- c) SCE understands that FEP has developed a final report that has been submitted to the California Governor's Office. However, SCE has not received this report.
- d) Some of the potential enhancement opportunities have been noted in Table 10-1 - Lessons Learned of SCE's 2023 WMP. Items 19 through 26 provide a summary of the potential opportunities communicated to SCE by FEP during their engagement.
