Response to Question 05:

SCE objects to Question 5 because the WMP proceeding is not the appropriate venue for this type of data request. Question 5, by its own terms, is "regarding SCE's November 19, 2022 PSPS Post-Event Report" which was filed by SCE in the PSPS OIR proceeding (R.18-12-005), not SCE's 2023-2025 WMP. In addition, Cal Advocates has previously submitted through the PSPS OIR proceeding (and SCE has responded to) multiple analogous data requests related to SCE's 2022 PSPS events. As such, this data request will not further the ability to make informed public comments on SCE's WMP.
