DATA REQUEST SET G P I - S C E - 2 0 2 3 W M P - 0 2

To: GPI

Prepared by: Napa Tayavibul
Job Title: Senior Advisor, Compliance

Received Date: 5/11/2023

Response Date: 5/16/2023

Question 04:

Please provide the number of customer requests to retain woody biomass resulting from vegetation management activities on private property, state property, and federal property.

Response to Question 04:

SCE's internal database does not track property type, but does note requests to "cut to firewood". In 2022, SCE had 1,333 trees completed with instructions to cut to firewood under SCE's Routine Line Clearing program.
