Response Date: 3/8/2022

Question 01:

Regarding Maturity Model Survey – Vegetation management and inspection:

- a. We have multiple questions regarding the answers provided in the vegetation management and inspection section of the maturity model survey:
(Note: no discussion is required, provide only a Yes/No answer)
 - i. Considering Maturity Model Survey question E.IV.h, how would SCE answer this modified version: Does the utility work with landowners to provide a use(s) for vegetation cut on the landowner's property? (Yes/No)
 - ii. Considering Maturity Model Survey question E.IV.i, how would SCE answer this modified version: Does the utility work with partners to identify uses for cut (waste) vegetation, taking into consideration environmental impacts and emissions of vegetation waste? (Yes/No)
 - iii. Considering Maturity Model Survey question E.V.f, how would SCE answer this modified version: Does the utility work with landowners to provide a use(s) for vegetation cut on the landowner's property? (Yes/No)
 - iv. Considering Maturity Model Survey question E.V.g, how would SCE answer this modified version: Does the utility work with partners to identify uses for cut vegetation, taking into consideration environmental impacts and emissions of vegetation waste? (Yes/No)
