**Question 10:**

Provide updated GIS layers of primary distribution, secondary distribution, and transmission lines, with the following attributes:

- (a) Circuit ID Number
- (b) Peak load in Amperes observed since January 1, 2014.
- (c) Circuit Capacity in Amperes

**Response to Question 10:**

Please see attached file (“CONFIDENTIAL\_CalAdvWMP\_DR19\_Q10.gdb.zip”) for the requested information.

SCE is unable to provide fields (a), (b), or (c) for secondary distribution because SCE does not have readily available information responsive to these requests. SCE does not track, generate or use these types of data in the ordinary course of its operations and recordkeeping. As such, these data requests seek the creation of a new study, analysis, and/or presentation of data in a format that does not exist.
