DATA REQUEST SET M G R A - S C E - 0 0 1 W M P - 2 0 2 1

To: MGRA
Prepared by: Ryan Stevenson
Job Title: Senior Advisor
Received Date: 1/7/2021

Response Date: 1/12/2021

Question 002:

If updates to the GIS database are to be released to WSD contemporaneously with the Wildfire Mitigation Plans, the IOUs shall make non-confidential versions of the GIS data available to MGRA and other interested stakeholders at the same time that they are released to WSD. Deadline for this request is therefore the same as that for GIS data release to WSD.

Response to Question 002:
