\* - Amortized into rates under average rate assumption method (ARAM).

\*\* - Amortized into rates over 4 years.

\*\*\* In July 2021, SCE received the IRS private letter ruling 202141001 which concluded that the inclusion of cost-of-removal component of book depreciation in the calculation of ARAM is not consistent with tax normalization requirement. As a result, SCE retroactively excluded the cost-of-removal component of book depreciation expense from its ARAM calculation.

\*\*\*\* - Amortized entirely over 1 year in 2018.
