California Alternate Rates for Energy (CARE) provides a discount of approximately 30% on monthly electric bills for eligible customers.

Family Electric Rate
Assistance (FERA) provides a
monthly discount of
approximately 18% to
households of 3 or more.

#### For faster enrollment:

You may apply online at sce.com/carefera or simply mail the application on the reverse to the designated address.

## **TENANTS** — Please read this information

If eligible, fill out an application. To complete it, you'll need the property owner to furnish certain information. Ensure you meet the following qualifications to apply:

- Receive and pay for electricity through the property owner, not directly from SCE.
- Ensure household income stays within specified limits based on household size.
- Agree to verify and provide information upon SCE's request, with applications renewed every four years.
- Verify the discount application is for your primary residence.

Discount begins on the first regular billing after SCE notifies the property owner of the processed application. If mailing in application, allow a minimum of 30-days for processing.
