NOTICE OF APPLICATION SOUTHERN CALIFORNIA EDISON COMPANY'S REQUEST TO INCREASE ELECTRIC RATES APPLICATION [A.24-12-010]

Why am I receiving this notice?

On December 20, 2024, Southern California Edison Company (SCE) filed an application (A.24-12-010) with the California Public Utilities Commission (CPUC) requesting approval to sell SCE's Irwindale Business Center property (the Property) in Irwindale, California (the IBC Application). The IBC Application seeks approval of a revenue increase of approximately \$3.46 million, which, after taxes, will equate to a recovery of approximately \$2.49 million. While there will be a temporary increase in rates, this transaction will ultimately save SCE's customers approximately \$2.1 million per year due to decreased property-related charges and costs.

If the CPUC approves SCE's request, it will affect your rates and bill.

Why is SCE requesting this rate increase?

- SCE is seeking to sell the Property because SCE no longer needs the Property's office space for its operations.
- Although the sale will result in a one-time (after-tax) loss of approximately \$2.49 million and a temporary \$0.01/month raise in rates, the sale will eliminate the future property taxes and long-term operations, investment and maintenance costs for the Property. The estimated future customer savings is approximately \$2.1 million per year.

How could this affect my monthly electric rates?

If SCE's rate request is approved by the CPUC, the average residential monthly bill using 500 kWh per month would increase by approximately \$0.01 or less than 0.1% per month in the year following the close of the sale.

How does the rest of the process work?

The IBC Application will be assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during the formal hearing process. The Administrative Law Judge will issue a proposed decision that may adopt, modify, or deny SCE's application. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.
